### SJPL OVERVIEW

#### San José Public Library (SJPL)

San José Public Library (SJPL) is located in the heart of Silicon Valley and in the nation's 10th largest city. SJPL serves a culturally diverse population of more than one million, making it one of the busiest library systems nationwide. It registers an average of six million visits with a checkout rate of 10 million items, annually. Alongside our award-winning staff, recognized for its innovation and leadership, SJPL strives to ensure that our services reflect the city's rich diversity and every member in our community enjoys their library experience.

### PUBLIC ART

#### Web of Native Botanicals

*Artist: Troy Corliss & Elin Christopherson*

The artist brings images of the natural world outside of the library to the inside. Imagining a view of the land that may have existed throughout the long history of the area, when working with the community, much of the interest for the project was directed towards the natural beauty that surrounds the area.
