SJPL OVERVIEW

San José Public Library (SJPL)

San José Public Library (SJPL) is located in the heart of Silicon Valley and in the nation's 10th largest city. SJPL serves a culturally diverse population of more than one million, making it one of the busiest library systems nationwide. It registers an average of six million visits with a checkout rate of 10 million items, annually. Alongside our award-winning staff, recognized for its innovation and leadership, SJPL strives to ensure that our services reflect the city's rich diversity and every member in our community enjoys their library experience.

PUBLIC ART

Groundwork

Artist: Amy Trachtenberg

A living link to a vital aspect the area's history around the library and the tough, arduous work of agricultural labor during the early and mid twentieth century is a graphic representation to the community. The paintings that encircle the rotunda evoke the aerial views of tilled earth, orchards, and crop rows.
