SJPL OVERVIEW

San José Public Library (SJPL)

San José Public Library (SJPL) is located in the heart of Silicon Valley and in the nation's 10th largest city. SJPL serves a culturally diverse population of more than one million, making it one of the busiest library systems nationwide. It registers an average of six million visits with a checkout rate of 10 million items, annually. Alongside our award-winning staff, recognized for its innovation and leadership, SJPL strives to ensure that our services reflect the city's rich diversity and every member in our community enjoys their library experience.

Wi-Fi at this location extends into the parking lot and is available at all times. Learn more at sjpl.org/Wireless

PUBLIC ART

Stratigraphy

Artist: Ron Baron

The artwork symbolizes a cutaway at an archeological site that reveals a social history. Baskets and acorns pay homage to the original Ohlone inhabitants; the region's agricultural and canning era are conveyed through fruit, cans and canning jars, which then transitions into the electronics and technology era.
