SJPL OVERVIEW

San José Public Library (SJPL)

San José Public Library (SJPL) is located in the heart of Silicon Valley and in the nation's 10th largest city. SJPL serves a culturally diverse population of more than one million, making it one of the busiest library systems nationwide. It registers an average of six million visits with a checkout rate of 10 million items, annually. Alongside our award-winning staff, recognized for its innovation and leadership, SJPL strives to ensure that our services reflect the city's rich diversity and every member in our community enjoys their library experience.

PUBLIC ART

The Singing Stone

Artist: Living Lenses

The timeless tradition of stone carving blends with modern technology, featuring a sound element created by the interplay between recorded voices and electronic data related to the library. Specially designed software interfaces with vocal tones to create unique musical patterns, generating a “sound portrait” of the library.
