ENHANCING THE YOUTH COMMISSION AND YOUTH PARTICIPATION IN THE CITY

On September 12, 2023, the City Council unanimously approved an ordinance strengthening the Youth Commission's functions, powers, and duties.

BILL OF RIGHTS

for Children & Young Adults for Santa Clara County

Every young person must get what they need when they need it, no matter their actual or perceived race, ethnicity, gender identity, sexual orientation, religion, mental or physical ability, nationality, immigration status, criminal history, first language, skin color, education status, or wealth. We value the diversity of our children and young adults in Santa Clara County and believe we must treat each of them with respect and dignity.

OUTREACH PLAN

Promote Youth Commission and Youth Advisory Council events, connect with community-based organizations, and develop partnerships to support the Youth Commission work plan.

Objectives

Increase the number of youths who know about the Youth Commission and participate in YACs.

Strategies

Post on social media, create flyers and share information at schools and through youth organizations.

Channels

Youth Commission social media, school distribution lists, local libraries, community centers, Councilmember newsletters, attending community events, and hosting town halls and summits.

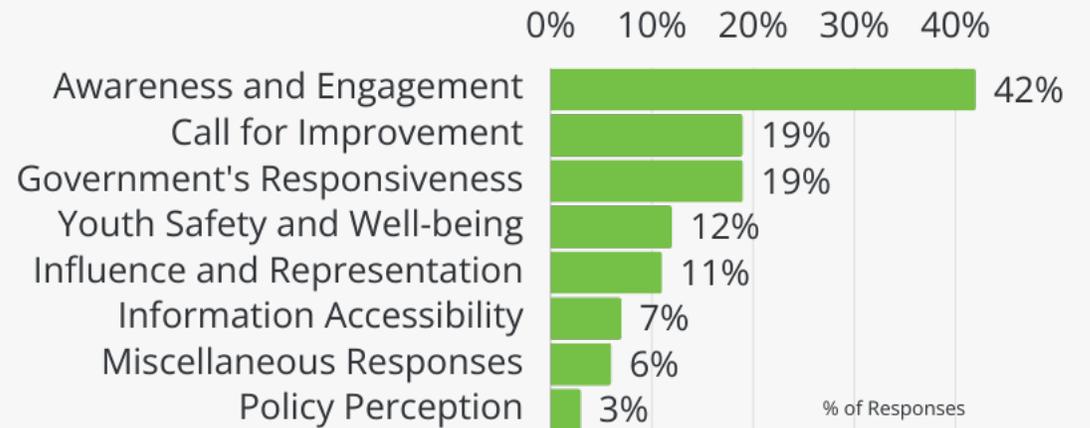

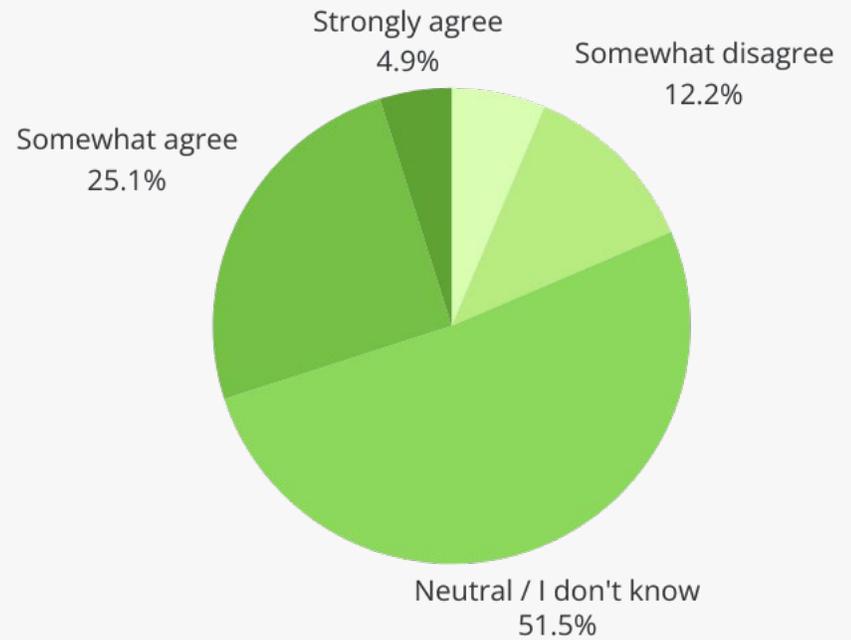

Metrics for Success

Engagement across social media, the number of youths who know about the Youth Commission and participate in YACs and at Youth Commission events, and the number of Youth Commission applications.

YOUTH PRIORITIES SURVEY

It's evident from these results that there is room to grow regarding outreach around program and resource awareness. This lack of engagement and the role that youth play in the design and implementation of community programs and their local government is the gap the San José Youth Commission is trying to bridge.

Does City of San José reflects youth priorities.

DRAFT A RECOMMENDATION TO DEVELOP A YOUTH PARTICIPATORY BUDGET PROGRAM PILOT

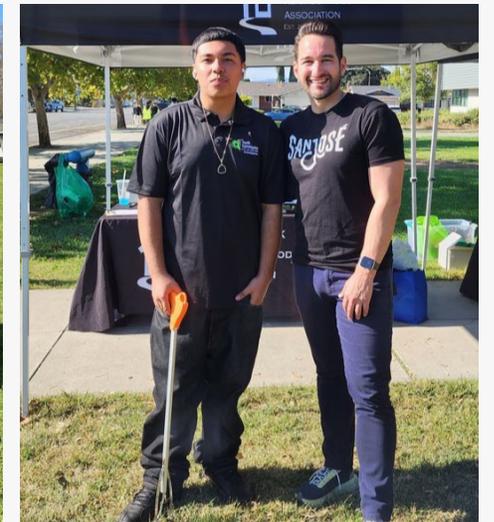

- Gather youth input through various events and initiatives to determine their priorities.
- Convey youth priorities to City Council and other relevant municipal authorities.
- Implement a City Budget Priority Session to gather insight and input from the youth on City Budget priorities.

Budget Summit

INFORM AND CULTIVATE ENVIRONMENTAL ADVOCACY AMONG YOUTH

- Collaborate with local organizations and city departments to launch an awareness campaign by youth in order to show the impact of environmental issues.
- Participate in litter pick-ups, dumpster days, and other clean-up events in collaboration with city departments and organizations.
- Collaborate with school clubs and encourage the creation and preservation of school/community gardens.

Oak Tree Planting

EXPLORE AND UNDERSTAND GENDER-BASED VIOLENCE SUPPORT SERVICES

Collaborate with local organizations and city departments to conduct research and support an awareness campaign by youth around issues including but not limited to:

- Sexual harassment
- Assault / domestic violence
- Healthy relationships

Looking Forward

INCREASING CIVIC ENGAGEMENT AMONG YOUTH

Increase youth participation through hosting various events and initiatives to foster a greater sense of civic engagement, including but not limited to:

- Civic events and forums
- Citywide youth survey

YOUTH ADVISORY COUNCILS

These councils provide valuable input and insights on policies and programs directly impacting young people.

From July 2023 to April 2024, Youth Commission and Youth Advisory Council members volunteered a combined **2,273** service hours in dedication to Youth Commission activities and events.

16

The average number of hours spent by 54 Youth Advisory Council members in Districts 1, 2, 3, 4, 7, 8 & 10 on activities such as attending YAC meetings, supporting district events, and doing policy research.
